

# Join a Unique Urban Community!

**HOMES  
ARE STILL  
AVAILABLE!**

## ■ What is Newberry Place?

Newberry Place is a new Grand Rapids cohousing community in the Belknap Lookout neighborhood, next to Coit Park.

## ■ What is Cohousing?

Cohousing is an intentional community combining the advantages of private homes with the benefits of more sustainable living, including common gathering spaces, shared resources, and ongoing connections with neighbors.

## ■ What are the Benefits?

Newberry Place has a clustered design to foster strong relationships among neighbors and create shared and private green spaces. Residents own their own homes in a pedestrian-friendly community, with parking on the perimeter. Neighbors enjoy a common house where they can share meals, participate in social events, and their children can play together.
